Eastern Time for the purpose of considering and acting upon the following:

1. Election of five (5) directors;
2. Ratification of appointment of Holtz Rubenstein Reminick LLP as Milestone's independent auditors for the current year; and,
3. Any and all matters incident to the foregoing, and such other business as may legally come before the meeting and any adjournments or postponements thereof.

The Board of Directors (the "Board") has fixed the close of business on April 10, 2009 as the Record Date for determining the stockholders having the right to notice of and to vote at the meeting (the "Record Date").

By order of the Board of Directors

Leonard Osser
Chairman of the Board

Livingston, New Jersey
April 24, 2009

IMPORTANT: Every stockholder, whether or not he or she expects to attend the Annual Meeting in person, is urged to execute the proxy and return it promptly in the enclosed business reply envelope. Sending in your proxy will not prevent you from voting your stock at the meeting if you desire to do so, as your proxy is revocable at your option. We would appreciate your giving this matter your prompt attention.

**MILESTONE SCIENTIFIC INC.
PROXY STATEMENT**

**For Annual Meeting of Stockholders
To be Held on June 4, 2009**

Proxies in the form enclosed with this statement are solicited by the Board of Milestone to be used at the Annual Meeting of Stockholders and any adjournments thereof, to be held at Brown, Rudnick, Berlack and Israels, 7 Times Square, New York, New York on June 4, 2009 at 9:00 A.M. Eastern Time, for the purposes set forth in the Notice of Meeting and this Proxy Statement. The Board knows of no other business which will come before the meeting. This Proxy Statement and the accompanying proxy will be mailed to stockholders on April 27, 2009.

THE VOTING AND VOTE REQUIRED

Record Date and Quorum

Only stockholders of record at the close of business on the Record Date are entitled to notice of and vote at the Annual Meeting. On the Record Date, there were 13,006,544 outstanding shares of common stock, par value \$.001 per share. At the Annual Meeting, each share of common stock is entitled to one vote. In the aggregate, 13,006,544 votes may be cast at the Annual Meeting. Shares represented by each properly executed, unrevoked proxy received in time for the meeting will be voted as specified.

Voting of Proxies

The persons acting as proxies pursuant to the enclosed proxy will vote the shares represented as directed in the signed proxy. Unless otherwise directed in the proxy, the proxyholders will vote the shares represented by the proxy: (i) for election of the director nominees named in this Proxy Statement; (ii) for ratification of the appointment of Holtz Rubenstein Reminick LLP as independent auditors to audit the financial statements of the Company for the fiscal year ending December 31, 2009; and (iii) in the proxyholders' discretion, on any other business that may come before the meeting and any adjournments of the meeting.

All votes will be tabulated by the inspector of elections appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Under the Company's bylaws and Delaware law: (1) shares represented by proxies that reflect abstentions or "broker non-votes" (i.e., shares held by a broker or nominee that are represented at the meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum; (2) there is no cumulative voting, and the director nominees receiving the highest number of votes, up to the number of directors to be elected, are elected and, accordingly, abstentions, broker non-votes and withholding of authority to vote will not affect the election of directors; and (3) proxies that reflect abstentions will be treated as votes against that proposal and non-votes will be treated as unvoted for purposes of determining approval of that proposal and will not be counted as votes for or against that proposal.

Voting Requirements

Directors are elected by a plurality of the votes cast at the meeting. The affirmative vote of a majority of votes cast for or against the matter by stockholders entitled to vote is required to ratify the appointment of independent auditors.

Revocability of Proxy

A proxy may be revoked by the stockholder giving the proxy at any time before it is voted by delivering oral or written notice to the Corporate Secretary of Milestone at or prior to the meeting, and a prior proxy is automatically revoked by a stockholder giving a subsequent proxy or attending and voting at the meeting. Attendance at the meeting in and of itself does not revoke a prior proxy.

Expenses of Solicitation

We will pay the expenses of the preparation of proxy materials and the solicitation of proxies for the Annual Meeting. In addition to the solicitation of proxies by mail, solicitation may be made by certain directors, officers or employees of Milestone telephonically, electronically or by other means of communication. We will reimburse brokers and other nominees for costs incurred by them in mailing proxy materials to beneficial owners in accordance with applicable rules.

ELECTION OF DIRECTORS (Item 1 on the Proxy Card)

Five (5) directors are to be elected at the Annual Meeting, each for a term of one year and until the election and qualification of a successor.

It is intended that votes pursuant to the enclosed proxy will be cast for the election of the five nominees named below. In the event that any such nominee should become unable or unwilling to serve as a director, the proxy will be voted for the election of such person, if any, as shall be designated by the Board. Management has no reason to believe these nominees will not be available for election.

The following table sets forth the names and ages of each nominee, the principal occupation of each during the past five years and the period during which each has served as a director of Milestone. Information as to the stock ownership of each nominee is set forth under "Security Ownership of Certain Beneficial Owners and Management." The Compensation Committee reviews and recommends to the Board the compensation and benefits of all the officers of Milestone, reviews general policy matters relating to compensation and benefits of employees of Milestone, and administers the issuance of stock options to Milestone's officers, employees, directors and consultants. All compensation arrangements between Milestone and its directors, officers and affiliates are reviewed by the Compensation Committee, the majority of which is made up of independent directors. The Audit Committee meets with management and Milestone's independent auditors to determine the adequacy of internal controls and other financial reporting matters.

Attendance at Committee and Board of Directors Meetings

The Board held a total of seventeen meetings in 2008, including seven Audit Committee meetings and one Compensation Committee meeting. The Compensation Committee reviews and recommends to the Board the compensation and benefits of all officers of the Company, reviews general policy matters relating to compensation and benefits of employees of the Company, and administers the issuance of stock options to the Company's officers, employees, directors and consultants. The Compensation Committee is comprised of Leonard M. Schiller, Leslie Bernhard and Pablo Felipe Serna Cardenas. During the year ended December 31, 2008, the Compensation Committee held one meeting.

Audit Committee

The Audit Committee was established to meet with management and the Company's independent accountants to determine the adequacy of internal controls and other financial reporting matters. The Board adopted a revised written charter for the Audit Committee in July, 2005 (the "Charter"). The Audit Committee reviewed the Company's audited financial statements for the year ended December 31, 2008 and met with the management of the Company to discuss such audited financial statements. The Audit Committee has discussed with the Company's independent accountants, Holtz Rubenstein Reminick LLP, the matters required to be discussed pursuant to

Statement on Accounting Standards No. 61; has received the written disclosures and the letter from Holtz Rubenstein Reminick LLP required by the Independence Standards Board Standard No. 1; has discussed with Holtz Rubenstein Reminick LLP its independence from management and the Company; and has given Holtz Rubenstein Reminick LLP full and free access to the Audit Committee. Based on its review and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K. The Audit Committee is comprised of Leonard M. Schiller, Leslie Bernhard and Jeffrey Fuller, all of whom are independent as defined in the applicable listing standards. The Board has determined that Jeffrey Fuller qualifies as an Audit Committee Financial Expert and is independent as defined in applicable federal securities laws and regulations. During the year ended December 31, 2008, the Audit Committee held seven meetings.

Nominating Committee

The Company formed a Nominating Committee in May 2004. The members of the Nominating Committee are Leonard M. Schiller and Jeffrey Fuller, each of whom is qualified as "independent" under the applicable listing standards.

The Nominating Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include the following information: the name of the stockholder and evidence of the person's ownership of Company stock, including the number of shares owned and the length of time of ownership; the name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company; and, the person's consent to be named as a director if selected by the Nominating Committee and nominated by the Board.

The stockholder recommendation and information described above must be sent to the Company's Chief Financial Officer at 220 South Orange Avenue, Livingston Corporate Park, Livingston, NJ 07039 and must be received not less than 120 days prior to the anniversary date of the Company's most recent annual meeting of stockholders.

The Nominating Committee believes that the minimum qualifications for service as a director of the Company are that a nominee possess an ability, as demonstrated by recognized success in his or her field, to make meaningful contributions to the Board's oversight of the business and affairs of the Company and an impeccable reputation of integrity and competence in his or her personal or professional activities. The Nominating Committee's evaluation of potential candidates shall be consistent with the Board's criteria for selecting new directors. Such criteria include an understanding of the Company's business environment and the possession of such knowledge, skills, expertise and diversity of experience so as to enhance the Board's ability to manage and direct the affairs and business of the Company, including when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or satisfy any independence requirements imposed by law, regulation or listing requirements.

The Nominating Committee may also receive suggestions from current Board members, company executive officers or other sources, which may be either unsolicited or in response to requests from the Nominating Committee for such candidates. The Nominating Committee also, from time to time, may engage firms that specialize in identifying director candidates.

Once a person has been identified by the Nominating Committee as a potential candidate, the Nominating Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the Chairman or another member of the Nominating Committee may contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating Committee may request information from the candidate, review the person's accomplishments and qualifications and may conduct one or more interviews with the candidate. The Nominating Committee may consider all such information in light of information regarding any other candidates that the Nominating Committee might be evaluating for membership on

the Board. In certain instances, Nominating Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Nominating Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

The Nominating Committee adopted a revised written charter in July 2005, which is available to security holders on Milestone's website at www.milestonescientific.com.

Stockholder Communication with the Board of Directors

The Board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the Board, or the non-management directors as a group, any Board committee or any chair of any such committee by mail or electronically. To communicate with the Board, any individual director or any group or committee of directors, correspondence should be addressed to the Board or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent "c/o Corporate Secretary" at 220 South Orange Avenue, Livingston Corporate Park, Livingston, NJ 07039. All communications received as set forth in the preceding paragraph will be opened by the Corporate Secretary of the Company for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the Board will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the Company's Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope or e-mail is addressed.

Employment Contracts

In December 2003, Milestone entered into an employment agreement with Mr. Osser for a five-year term commencing January 1, 2004. This agreement was terminated effective December 31, 2007. Milestone entered into a new agreement with Mr. Osser effective January 1, 2008. The new agreement is for five years ending on December 31, 2012. As part of the new agreement the Chairman has relinquished the title and position of CEO to concentrate on assisting the new CEO of the Company in (i) management and oversight of vendors in China and other key vendors, (ii) arranging for, and consummating financing transactions and (iii) conducting investor relations. Under the new agreement, the Chairman will receive a base compensation of \$200,000 per year payable, one half in cash and one half in common stock valued at the closing price of the common stock on January 31 of each year with respect to the then current year. While the number of shares to be issued will be determined each year, the stock will not be issued until the end of the term of the agreement.

In accordance with his employment contract, 83,333 shares of common stock were recorded as of January 31, 2008, to be paid out at the end of the contract. At December 31, 2008 the full settlement amount under the current and previous employment contracts is \$700,000, 504,639 shares of common stock of deferred compensation and, accordingly, such amount has been classified in stockholder's equity, with the common shares classified as to be issued.

In accordance with the employment contract, an additional 45,455 shares of common stock were recorded as of March 31, 2009, to be paid out at the end of the contract. As of March 31, 2009, the full settlement amount under the current and previous employment contract is \$725,000 and 550,094 share of common stock.

Mr. Osser became Interim Chief Executive Officer of the Company, effective March 31, 2009 and accepted the previous Chief Executive Officer's contract as noted below.

Milestone entered into an agreement with Joe W. Martin, CEO effective May 2, 2007, for the period ending on December 31, 2012. Under this agreement the CEO received a base compensation of \$300,000 per year and could earn annual bonuses up to an aggregate of \$400,000, payable one half in cash and one half in common stock, contingent upon Milestone achieving annual determined results, plus options for twice the number of shares earned. The agreement was terminated upon Mr. Martin's resignation as of March 27, 2009.

Objective of Our Executive Compensation Program

The primary objective of our executive compensation program is to attract and retain qualified, energetic managers who are enthusiastic about our mission and culture. A further objective of our compensation program is to provide incentives and reward each manager for their contribution. In addition, we strive to promote an ownership mentality among key leadership and the Board of Directors.

Our Compensation Committee reviews and approves, or in some cases recommends for the approval of the full Board of Directors, the annual compensation procedures for our Named Executive Officers.

Our compensation program is designed to reward teamwork, as well as each manager's individual contribution. In measuring the Named Executive Officers' contribution, the Compensation Committee considers numerous factors including our growth, strategic business relationships and financial performance. Regarding most compensation matters, including executive and director compensation, our management provides recommendations to the Compensation Committee; however, the Compensation Committee does not delegate any of its functions to others in setting compensation. We do not currently engage any consultant to advise on executive and/or director compensation matters.

Stock price performance has not been a factor in determining annual compensation because the price of Milestone's common stock is subject to a variety of factors outside of our control. We do not have an exact formula for allocating between cash and non-cash compensation.

Annual executive officer compensation consists of a base salary component and periodic stock option grants. It is the Compensation Committee's intention to set total executive cash compensation sufficiently high enough to attract and retain a strong motivated leadership team, but not so high that it creates a negative perception with our other stakeholders. Each of our executive officers receives stock option grants under our stock option plan. The number of stock options granted to each executive officer is made on a discretionary rather than a formula basis by the Compensation Committee. Each executive's current and prior compensation is considered in setting future compensation. In addition, we review the compensation practices of 28 other companies. To some extent, our compensation plan is based on the market and the companies we compete against for executive management. The elements of our plan (e.g., base salary, bonus and stock options) are similar to the elements used by many companies. The exact base pay, stock option grant, and bonus amounts are chosen in an attempt to balance our competing objectives of fairness to all stakeholders and attracting/retaining executive managers.

Stock Plan

In 2006 we adopted an equity compensation plan for the issuance of up to 300,000 shares of our common stock in lieu of cash compensation for services performed by employees, officers, directors and consultants (the “2006 Stock Plan”). The purpose of the 2006 Stock Plan is to conserve cash while allowing us to adequately compensate existing employees, officers, directors and consultants, or new employees, officers, directors and consultants, whose performance will contribute to our long-term success and growth. We believe that the availability of these shares will also strengthen our ability to attract and retain employees, officers, directors and consultants of high competence, increase the identity of interests of such people with those of our stockholders and help maintain loyalty to us through recognition and the opportunity for stock ownership. All shares granted under this plan will be at fair market value, or at a premium to that value, on the date of grant.

During 2008, no shares were issued under this plan.

In December 2007, the Board of Directors authorized the Company to issue up to \$2 million of its Company stock to vendors or employees, and to grant them piggy back registration rights in the usual form, at a value of not less than 90% of the market value on the date of the agreement for the vendor or employee to accept said shares. Such future shares are not included in the above noted shares reserved for future issuance.

In 2008, the Company issued the following shares under this Plan; 156,448 shares valued at of \$262,746 for Vendor Services, 356,063 shares valued at \$316,099 for Consulting Services, 135,602 shares valued at \$98,419 for Employee Compensation and 83,333 shares valued at \$100,000 for Officer’s Deferred Compensation. The Company also issued 260,000 shares valued at \$93,600 for Settlement of the Hodosh Lawsuit.

At December 31, 2008, there was \$1,129,136 available to be issued under this plan.

The Vendor Shares were issued in reliance upon the exemption from the registration requirements of the Act, as provided in Section 4(2) and 4(6) thereof, as a transaction by an issuer not involving a public offering. Milestone reasonably believed that each vendor had such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of the investment, each vendor represented an intention to acquire the securities for investment only and not with a view to distribution thereof and appropriate legends were affixed to the stock certificates. No commissions were paid in connection with such issuances.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires Milestone's officers and directors, and persons who own more than ten percent (10%) of a registered class of Milestone's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"). Officers, directors and greater than ten percent (10%) shareholders are required by SEC regulations to furnish Milestone with copies of all Section 16(a) forms they file.

To the best of Milestone's knowledge, based solely on review of the copies of such forms furnished to Milestone, or written representations that no other forms were required, Milestone believes that all Section 16(a) filing requirements applicable to its officers, directors and greater than ten percent (10%) shareholders were complied with during 2008.

Certain Relationships and Related Transactions

Since the beginning of our fiscal year ended December 31, 2008, we did not have any related party transactions pursuant to Item 404 of Regulation S-K of the Exchange Act. We have adopted a policy that, in the future, the Audit Committee must review all transactions with any officer, director or 5% stockholder.

AUDIT COMMITTEE REPORT

The Audit Committee is comprised of three non-management directors, Leonard M. Schiller, Leslie Bernhard and Jeffrey Fuller, and operates pursuant to its Charter. During the 2008 fiscal year, the Audit Committee held seven meetings with the independent auditors. The Audit Committee's purpose is to assist the Board in its oversight of (i) the integrity of our financial statements, (ii) our compliance with legal and regulatory requirements, (iii) our independent auditors' qualifications and independence, and (iv) the performance of our internal audit function and independent auditors to decide whether to appoint, retain or terminate our independent auditors, and to pre-approve all audit, audit-related and other services, if any, to be provided by the independent auditors; and to prepare this Report. The Board has determined that each member of the Audit Committee is "independent" within the meaning of the rules of the Securities and Exchange Commission ("SEC"). The Board has also determined that each member is financially literate and at least one member of the Audit Committee has accounting or related financial management expertise, as such qualifications are defined under the rules of the SEC, and that Mr. Jeffrey Fuller is an "audit committee financial expert" within the meaning of the rules of the SEC.

Management is responsible for the preparation, presentation and integrity of our financial statements, accounting and financial reporting principles and the establishment and effectiveness of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for performing an independent audit of the financial statements in accordance with generally accepted auditing standards. The independent auditors have free access to the Audit Committee to discuss any matters they deem appropriate.

In performing its oversight role, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has discussed with the auditors the auditors' independence. All non-audit services performed by the independent auditors must be specifically pre-approved by the Audit Committee or a member thereof.

During 2008 fiscal year, the Audit Committee performed all of its duties and responsibilities under the Charter. In addition, based on the reports and discussions described in this Report, the Audit Committee recommended to the Board that the audited financial statements of Milestone for the 2008 fiscal year be included in its Annual Report on Form 10-K for such fiscal year.

ADDITIONAL INFORMATION

Householding

The SEC's rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. Some brokers household proxy materials and annual reports, delivering a single proxy statement and annual report to multiple stockholders sharing an address, although each stockholder will receive a separate proxy card. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker. If you would like to receive a separate copy of this year's Proxy Statement or Annual Report, please address your request for delivery of the Proxy Statement and/or Annual Report to Joseph D'Agostino, Chief Financial Officer, Milestone Scientific Inc., 220 South Orange Avenue, Livingston Corporate Park, Livingston, New Jersey 07039.
